# PANORAMA SHOOT-OUT

## A Photo Workshop Outing with Brad Grigor

### WHAT YOU WILL LEARN

- How to correctly setup and use your camera to take multiple photos for a panorama.
- How to use Photoshop to stitch your photos together to produce a spectacular high-resolution panoramic image.

**We will process your photos on-the-spot!  
Everyone will take away their own finished  
panaromic image.**

**Beginners  
Welcome!**

### WHAT YOU'LL NEED

- Your digital camera. Any model will work, but cameras with "Manual" mode, telephoto lens and cable-release or self-timer are ideal.
- Fully-charged batteries, spare set preferred.
- A tripod is highly recommended.
- A USB drive or spare memory card (to take your masterpiece home).

### WHAT WE'LL DO

- Meet at "The Beanery" coffee shop, 341 1st Ave (at Roberts St.), Ladysmith at 9:00am
- Travel to our nearby shooting location
- Shoot for about an hour and a half
- Return to the "The Beanery" coffee shop to have coffee & process the images
- Wrap up around 1:00pm

**Saturday November 8, 2008 9:00am**
